TERMS AND CONDITIONS OF A PROMOTIONAL 5YR WARRANTY

DEFINITION

Your promotional 5yr warranty covers repair following a mechanical or electrical fault which stops the equipment working properly. The provision of this plan does not affect your consumer rights, for advice in relation to this please contact the Citizens Advice Bureau. This plan is governed by English law unless we have agreed otherwise with you.

CONDITIONS OF COVER:

1. The validity period of your warranty is for 5yrs from the date of purchase of your appliance.
2. The first two years of policy are covered by the standard warranty, years 3,4 and 5 are covered by the extended promotional element
3. This offer is only available between the promotion dates stated on the relevant promotional material.
4. This offer is only available for the specific models detailed on the relevant promotional material.
5. The qualifying models must only be purchased in the UK or Ireland during the dates stated on promotional material.
6. This offer applies to new appliances only, purchased via approved Smeg stockists and does not apply to appliances purchased second hand or through non-Smeg approved retailers or through private sales, or purchases made via a 'graded' appliance retailer.
7. The standard and extended promotional warranty is offered exclusively to the recipient at point of purchase.
 - i. Please note, if you sell your appliance during its standard or extended promotional warranty period this agreement of cover is not transferable to the new owner.
8. All applications for the promotional warranty must be completed online together with electronic proof of purchase within 90 days of the date of purchase. Information on how to register is below.
 - i. We recommend you register your warranty as soon as possible so that in the unlikely event we need to contact you about an appliance you own, we can locate your contact details.
9. During the entire period of cover, you must be able to provide proof of purchase when requested by Smeg UK or one of its agents. We will require this to validate the warranty should you need to make a claim as we may not retain the proof of purchase at point of registration for the full warranty period.
10. The consumer loses the right to claim under warranty if the perceived fault is not reported within 2 months of its discovery.
11. We reserve the right to repair an appliance via one of our trusted Smeg-Approved engineers within a reasonable timeframe before a replacement will be considered. This is in line with our environmental commitments and values. Should you wish to check your consumer rights in relation to this you can do so by contacting the Citizens Advice Bureau.
 - i. Where a replacement is agreed, the replacement provided will continue under the original warranty commencing on original date of purchase and does not attract a new warranty.
 - ii. In the event a like for like replacement is no longer manufactured, we will endeavour to provide a similar model. We will not consider costs of reimbursement if a different model is accepted. We may offer an upgraded model subject to additional charge at our discretion.
12. After the period of warranty has expired, the costs of any repair and / or replacement of components will be the responsibility of the consumer. We advise you to contact Smeg-authorized Service Engineers via <https://www.smeg-service.co.uk/find-a-smeg-engineer>.
13. Exceptions to cover:
