Oven, Dolce Stil Novo, 60cm, Thermo-ventilated, Black, A+, Pyrolytic

EASY CLEAN ENAMEL INTERIOR

The enamel finish of the oven cavity has a special antacid lining which helps to reduce the amount of dirt adhering to the surface.

CLOSED DOOR GRILLING

Closed door grilling allows you to grill with the door closed, keeping cooking smells inside the oven and out of the kitchen to ensure a safe cooking environment and reduced energy consumption.

NATURAL MATERIALS

Like many natural materials, slight imperfections in metals are to be expected, along with natural discolouration of these materials over time through useage and exposure to sunlight.

SMART COOKING

The SmartSense cooking system offers 50 automatic recipes with pre-set parameters that can be easily amended by the user according to the type of food, the weight and the desired cooking result.

ELEGANCE AND REFINEMENT

Copper or Stainless Steel trims provide a subtle burst of colour throughout the flagship Dolce Stil Novo range, where only the finest materials have been used.

RETRACTABLE HANDLE

The handle, a fine band also made of glass, is self-extracting when in use or is extracted by a slight touch.
